- (c) Buyer shall at all times take all appropriate actions necessary to permit, and shall refrain from taking any action that would prevent, the Bankruptcy Court to make findings in the Sale Order that (a) Buyer is a good-faith buyer under Section 363(m) of the Bankruptcy Code, (b) the sale of the Purchased Assets contemplated hereby did not involve any improper conduct, including collusion, and cannot be avoided under grounds set forth

under Section 363(n) of the Bankruptcy Code, and (c) Buyer is not a successor to Sellers with respect to the Purchased Assets.

Seller shall withhold, fund and remit all applicable payroll taxes as required by Law on or prior to the Closing Date with respect to all employees of Sellers as of such date; and
- Buyer shall (or shall cause its designee to) process the payroll for and shall pay, or cause to be paid, base wages, base salary and benefits that accrue after the Closing Date with respect to all Transferred Employees. Buyer shall withhold and remit all applicable payroll taxes as required by Law after the Closing Date with respect to Transferred Employees. In addition, as part of the wind-down expenses, Sellers shall (or shall cause their designee to) process all employee and Tax reporting covering the periods prior to Closing in connection with the Excluded Employees and the Transferred Employees that will be required to be prepared and delivered after Closing. Nothing herein shall be construed as requiring, and neither Sellers nor any of their Affiliates shall take any affirmative action that would have the effect of requiring Buyer to continue any specific employee benefit plan or to continue the employment of any specific person. Nothing in this Agreement shall create or be construed as creating any contract of employment or as conferring upon any Transferred Employee or upon any other person, other than the parties to this Agreement in accordance with its terms, any rights to enforce any provisions of this Agreement under ERISA or otherwise.

Section 6.5 Recording of Intellectual Property Assignments. All of the Intellectual Property Assignments shall be recorded and filed by Buyer with the appropriate Governmental Entities as promptly as practicable following Closing.

Section 6.6 Taxes.

- (a) To the extent not exempt under Section 1146 of the Bankruptcy Code, Buyer shall pay any stamp, documentary, registration, transfer, added-value or similar Tax (each, a "<u>Transfer Tax</u>") imposed under any applicable Law in connection with the transactions contemplated by this Agreement. Each Seller and Buyer shall cooperate to prepare and timely file any Tax Returns required to be filed in connection with Transfer Taxes described in the immediately preceding sentence.
- (b) Except as provided with respect to Transfer Taxes in Section 6.6(a), and as provided with respect to Tax refunds in Section 6.6(c), from and after the Closing, the

applicable Seller, at Sellers' sole cost and expense, shall file (or cause to be filed) all Tax Returns with respect to any Tax that is not an Assumed Liability.

- (c) All refunds for Taxes that are Purchased Assets within the meaning of Section 2.1(r) shall be for the sole benefit of Buyer. To the extent any Seller receives a refund of any such Tax, such Seller shall promptly pay such refund to Buyer.
- (d) Buyer and Sellers shall reasonably cooperate (i) in the preparation and timely filing of any Tax Return relating to the Business, the Purchased Assets, or the Assumed Liabilities; (ii) in any audit or other proceeding with respect to Taxes or Tax Returns relating to the Business, the Purchased Assets, or the Assumed Liabilities; (iii) make available any information, records, or other documents relating to any Taxes or Tax Returns relating to the Business, the Purchased Assets, or the Assumed Liabilities; and (iv) provide certificates or forms, and timely execute any Tax Return, that are necessary or appropriate to establish an exemption for (or reduction in) any Transfer Tax.
- **Section 6.7** <u>Wage Reporting</u>. Buyer and Sellers agree to utilize, or cause their respective Affiliates to utilize, the standard procedure set forth in Internal Revenue Service Revenue Procedure 2004-53 with respect to wage reporting.

Section 6.8 Insurance Policies.

- (a) To the extent that any current or prior Insurance Policy is not transferable to Buyer at Closing in accordance with the terms thereof, each Seller, as applicable, shall hold such Insurance Policy for the benefit of Buyer, shall reasonably cooperate with Buyer (at Buyer's cost and expense) in pursuing any claims thereunder, and shall pay over to Buyer promptly any insurance proceeds paid or recovered thereunder with respect to the Purchased Assets or the Assumed Liabilities. In the event Buyer determines to purchase replacement coverage with respect to any such Insurance Policy, Sellers shall reasonably cooperate with Buyer to terminate such Insurance Policy to the extent only applicable to the Purchased Assets, and Sellers shall, at the option of Buyer, promptly pay over to Buyer any refunded or returned insurance premiums received by any Sellers in connection therewith (or, if applicable, Buyer's <u>pro rata</u> portion thereof) or cause such premiums to be applied by the applicable carrier to the replacement coverage arranged by Buyer.
- (b) To the extent that any current or prior Insurance Policy of any Seller relates to the Purchased Assets or Assumed Liabilities and the Excluded Assets or the Excluded Liabilities, and such Insurance Policy is transferred to Buyer at Closing, Buyer shall hold such Insurance Policy with respect to the Excluded Assets or Excluded Liabilities, as applicable, for the benefit of Sellers, shall reasonably cooperate with Sellers in pursuing any claims thereunder (at no additional cost or expense to Buyer), and shall pay over to Sellers promptly any insurance proceeds paid or recovered thereunder with respect to the Excluded Assets or the Excluded Liabilities.
- (c) Notwithstanding subparagraphs (a) and (b) above, nothing in this Article or Agreement shall transfer any directors and officers' liability insurance policies relating to Sellers to Buyer.

(d) Sellers' obligations under this Section shall only continue until the Chapter 11 Cases are closed or dismissed.

Section 6.9 <u>Collection of Accounts Receivable; Notices to Customers; Control of Bank Accounts.</u>

- (a) As of the Closing Date, each Seller hereby (i) authorizes Buyer to open any and all mail addressed to any Seller relating to the Business or the Purchased Assets and delivered to the offices of the Business or otherwise to Buyer if received on or after the Closing Date and (ii) appoints Buyer and its successors and assigns the true and lawful attorney-in-fact of such Seller to collect the Accounts Receivable and to endorse, cash and deposit any monies, checks or negotiable instruments received by Buyer after the Closing Date with respect to Accounts Receivable that are Purchased Assets or accounts receivable relating to work performed by Buyer after Closing, as the case may be, made payable or endorsed to any Seller or Sellers' order, for Buyer's own account. The foregoing power is coupled with an interest and shall be irrevocable by any Seller, directly or indirectly, whether by the dissolution of such Seller or in any manner or for any reason.
- (b) As of the Closing Date, each Seller agrees that any monies, checks or negotiable instruments received by any Seller after the Closing Date with respect to Accounts Receivable that are Purchased Assets or accounts receivable relating to work performed by Buyer after Closing, as the case may be, shall be held in trust by such Seller for Buyer's benefit and account, and promptly upon receipt by a Seller of any such payment (but in any event within five (5) Business Days of such receipt), such Seller shall pay over to Buyer or its designee the amount of such payments. In addition, Buyer agrees that, after Closing, it shall hold and shall promptly transfer and deliver to Sellers, from time to time as and when received by Buyer or its Affiliates (but in any event within five (5) Business Days of such receipt), any cash, checks with appropriate endorsements, or other property that Buyer or its Affiliates may receive on or after Closing which properly belongs to Sellers hereunder, including any Excluded Assets.
- (c) As of the Closing Date, Buyer shall have the sole authority to bill and collect Accounts Receivable that are Purchased Assets and accounts receivable relating to work performed, goods sold, or services provided by Buyer after Closing.
- (d) Sellers shall cooperate with, and join, Buyer with respect to efforts to notify each Seller's customers, vendors and other business relationships of this Agreement and the transactions contemplated hereby, including notices to customers regarding the transfer of loans, Accounts Receivable and Financing Materials and updated payment information and instructions related to such transfer.
- (e) Sellers shall take all reasonable steps and execute all instruments necessary to grant Buyer, as of the Closing, access to, and sole control over, the Bank Accounts, and Sellers shall take all steps and execute all instruments after Closing to allow Buyer to maintain such access and control with respect to the Bank Accounts. Sellers will cause Buyer and each of those individuals designated by Buyer to be an authorized signatory on all such Bank Accounts as of the Closing. Buyer shall have, and Sellers shall take all steps

to ensure that Buyer has, the ability to access, use and control any checks, debit cards or similar instruments or devices that allow debiting and crediting to and from and transfers to and from such Bank Accounts.

Section 6.10 <u>Use of Name and Marks</u>. Neither Sellers nor any of their respective Affiliates or Subsidiaries shall use, license or authorize any third party to use, any name, slogan, logo, trademark, service mark, trade name or brand name which is similar or deceptively similar to any of the names, slogans, logos, trademarks, service marks, trade names or brand names included in the Intellectual Property included in the Purchased Assets. If requested by Buyer, each Seller shall, and shall cause its respective Affiliates to, promptly amend its governing documents and take all actions necessary to change its legal name and any registered doing-business-as or fictious name to a new name bearing no resemblance to its current name so as to omit any reference to "Cottonwood," "Cash Store" and any other current tradename of Sellers and shall provide evidence to Buyer of the same. Each Seller shall also take all actions reasonably requested by Buyer to enable Buyer to use the Seller's present name and doing-business-as designations after Closing.

Section 6.11 <u>Data Privacy Protection</u>. Buyer acknowledges that the Purchased Assets include personally identifiable information ("PII") within the meaning of Section 363(b) of the Bankruptcy Code, along with associated Personal Data about Sellers' customers. In connection with the same, Buyer agrees to: (i) employ appropriate security controls and procedures (technical, operational and managerial) to protect PII and Personal Data, (ii) abide by all applicable Laws and regulations with respect to PII and (iii) take such further actions with respect to PII as may be agreed between the Parties. Each Seller agrees to take such action reasonably requested by Buyer, including amending their Privacy Policies with respect to PII, as may be necessary to transfer the PII to Buyer, including, if requested, sending a notice to the subjects of the PII and giving each such subject the right to object to the transfer of the PII. Buyer agrees that it shall, absent a customer's consent received after adequate notice: (a) abide by Sellers' Privacy Policies and privacy-related covenants made in Sellers' terms of service that were in effect as of the Petition Date, (b) respect prior requests of customers to opt out of receipt of marketing messages (to the extent Buyer is made aware of such requests; provided that Buyer shall seek to obtain such information from Seller) and (c) use PII only for the purposes related to continuing Business operations and continuing to provide similar goods and services to customers, including marketing the products and services related to Purchased Assets. Buyer shall use its reasonable commercial efforts to obtain the consent of a customer for any additional use of PII or Personal Data or before making material changes to Sellers' privacy policies that weaken a customer's consumer protection. Furthermore, to the extent PII includes any social security numbers, Buyer shall limit such use to tax reporting purposes, and, to the extent required by Law, shall purge such information from its databases when such information is no longer required for that purpose.

Section 6.12 <u>401(k) Plan</u>. Not less than two (2) Business Days before the anticipated Closing Date, the board of directors or managers of each Seller shall adopt resolutions and take such action as is necessary to terminate the 401(k) Plan, effective as of the date prior to the Closing Date. Following Closing, the assets thereof shall be distributed to the participants, and Buyer shall, to the extent permitted by any "eligible retirement plan" (within the meaning of Section 401(a)(31) of the Code) of Buyer or any of its Subsidiaries (the "Buyer 401(k) Plan") and consistent with Buyer policies with respect to Buyer's current employees, permit the Transferred Employees who

are then actively employed to make rollover contributions of "eligible rollover distributions" (within the meaning of Section 401(a)(31) of the Code, exclusive of loans to participants), in the form of cash, in an amount equal to the eligible rollover distribution portion of the account balance distributed to such Transferred Employee from the 401(k) Plan to Buyer 401(k) Plan.

Section 6.13 Confidentiality.

- (a) The terms of the Confidentiality Agreement shall continue in full force and effect until the Closing as to the Purchased Assets, at which time Buyer's obligations under any such Confidentiality Agreement shall terminate as to the Purchased Assets, but shall remain in full force and effect as to the Excluded Assets.
- Except for the preparation and filing of Tax Returns and any filings or reports (b) required by the Bankruptcy Code or other Law, for a period of five years following the Closing Date, Sellers shall not, and Sellers shall cause their Affiliates and the respective Representatives of Sellers and their Affiliates not to, use for their own benefit or divulge or convey to any third party, any Confidential Information; provided, however, that Sellers and their Affiliates may furnish such portion (and only such portion) of the Confidential Information as such Seller or Affiliate reasonably determines it is legally obligated to disclose if: (i) it receives a request to disclose all or any part of the Confidential Information under the terms of a subpoena, civil investigative demand or order issued by a Governmental Entity; (ii) to the extent not inconsistent with such request, it notifies Buyer of the existence, terms and circumstances surrounding such request and consults with Buyer on the advisability of taking steps available under applicable Law to resist or narrow such request; (iii) it exercises its commercially reasonable efforts to obtain an order or other reliable assurance that confidential treatment will be accorded to the disclosed Confidential Information; and (iv) disclosure of such Confidential Information is required to prevent such Seller or Affiliate from being held in contempt or becoming subject to any other penalty under applicable Law. For purposes of this Agreement, "Confidential Information" consists of all information and data relating to the Business (including Intellectual Property, customer and supplier lists, pricing information, marketing plans, market studies, client development plans, business acquisition plans and all other similar information or data), the Purchased Assets or the transactions contemplated hereby, except for data or information that is or becomes available to the public other than as a result of a breach of this Section.
- (c) Effective as of the Closing, Sellers hereby assign to Buyer all of the Sellers' right, title and interest in and to any confidentiality agreements entered into by Sellers (or their Affiliates or Representatives) and each Person (other than Buyer and its Affiliates and Representatives) who entered into any such agreement or to whom Confidential Information was provided in connection with any potential transaction involving the acquisition or purchase of all or any portion of the Business or the Purchased Assets. From and after the Closing, Sellers will take all actions reasonably requested by Buyer in order to assist in enforcing the rights so assigned, at Buyer's sole expense. Sellers shall use their commercially reasonable efforts to cause any such Person to return to Sellers any documents, files, data or other materials constituting Confidential Information provided to such Person in connection with the consideration of any such transaction.

ARTICLE VII. BANKRUPTCY MATTERS

- Section 7.1 <u>Sale Order</u>. The Parties acknowledge and agree that the Contemplated Transactions are subject to the Bankruptcy Court entering the Sale Order no later than three (3) days after the Sale Hearing. The Sale Order shall be in form and substance acceptable in all respects to Buyer in its sole discretion and provide, among other things, that:
 - (a) this Agreement is valid and enforceable;
 - (b) this Agreement and the Contemplated Transactions are approved and the Debtors are authorized and directed to consummate the Contemplated Transactions;
 - (c) on the Closing Date, the Purchased Assets shall be sold to Buyer free and clear of any and all Liens (except for Permitted Liens), including any liens granted during the Chapter 11 Cases;
 - (d) on the Closing Date, the Assumed Contracts shall be assumed by Sellers and assigned to Buyer pursuant to Section 365 of the Bankruptcy Code and Sellers shall be responsible for paying the Cure Costs that are Excluded Liabilities or that exceed the Buyer Cure Costs and Buyer shall be responsible for paying the Buyer Cure Costs that are Assumed Liabilities due in connection with the assumption and assignment of Assumed Contracts;
 - (e) all persons and entities, including, governmental, tax and regulatory authorities, lenders, trade and other creditors holding interests or claims of any kind or nature whatsoever against Sellers or their assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or noncontingent, liquidated or unliquidated, senior or subordinated), arising under or out of, in connection with or in any way relating to Sellers, the Purchased Assets, or the operations of Sellers prior to Closing shall have no claims against Buyer, its affiliates, successors or assigns, property or the Purchased Assets related to such interests or claims, subject to rights of parties or individuals for claims arising out of Assumed Liabilities.

The Sale Order shall contain findings by the Bankruptcy Court that (a) Buyer is a good-faith purchaser under, and is entitled to the protections of Section 363(m) of the Bankruptcy Code, (b) Buyer is not a successor to Sellers, and (c) the sale of the Purchased Assets contemplated hereby did not involve any improper conduct, including collusion, and cannot be avoided under grounds set forth under Section 363(n) of the Bankruptcy Code.

Sellers and Buyer agree to use commercially reasonable efforts to cooperate, assist and consult with each other to obtain the issuance and entry of the Sale Order, including furnishing affidavits, declarations or other documents or information for filing with the Bankruptcy Court. The Sale Order shall also provide that the Contemplated Transactions may be consummated immediately upon entry of the Sale Order and pursuant to Fed. R. Bankr. P. 6004(h), the sale of the Purchased Assets is not stayed pending the expiration of fourteen (14) days from the date of entry of the Sale Order. In the event the Sale Order is appealed, Sellers shall use their commercially

reasonable efforts to oppose any such appeal and to avoid the imposition of any stay pending appeal.

In connection with the assumption and assignment of the Assumed Contracts pursuant to Section 365 of the Bankruptcy Code, Buyer shall take all actions reasonably required in the discretion of Buyer or otherwise as directed by the Bankruptcy Court to provide "adequate assurance of future performance" by Buyer under the Assumed Contracts after Closing. To the extent necessary prior to the Closing Date, the Seller shall take all steps to extend the deadline imposed under section 365(d)(4) of the Bankruptcy Code to a date through and including the Closing Date.

Good Faith Deposit. The Good Faith Deposit shall be held exclusively in Section 7.2 the IOLTA account of Sellers' counsel, Gray Reed & McGraw LLP, and shall not be released other than as explicitly permitted under the Bidding Procedures Order.

ARTICLE VIII. CONDITIONS TO CLOSING

- Conditions to Buyer's Obligations. Subject to Section 8.3, Buyer's Section 8.1 obligation to consummate the Contemplated Transactions in connection with Closing is subject to satisfaction or waiver of the following conditions:
 - as of the date hereof and as of Closing (in each case, except for any representation or warranty that is expressly made as of a specified date, in which case as of such specified date), (i) each representation or warranty contained in Section 3.1, through Section 3.3 shall be true and correct in all respects, and (ii) each other representation or warranty set forth in ARTICLE III shall be true and correct in all respects, except where the failure of such representations and warranties referred to in this clause (ii) to be true and correct, individually or in the aggregate with other such failures, has not had, and would not reasonably be expected to have, a Material Adverse Effect; provided, however, that for purposes of determining the accuracy of representations and warranties referred to in clause (ii) for purposes of this condition, all qualifications as to "materiality" and "Material Adverse Effect" and similar expressions contained in such representations and warranties shall be disregarded;
 - (b) Sellers shall have performed and complied with their covenants and agreements hereunder to the extent required to be performed prior to Closing in all material respects, and Sellers shall have caused the documents and instruments required by Section 2.8(a) to be delivered to Buyer (or tendered subject only to Closing);
 - (c) no Governmental Entity of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any Decree that is in effect and that has the effect of making Closing illegal or otherwise prohibiting the consummation of Closing, and, at the time of the Closing, there shall not be any Litigation, investigation, inquiry or proceeding pending, entered, enacted, enforced or issued or instituted in or by any Governmental Entity or by any third party to restrain, enjoin or prohibit consummation of

the Contemplated Transactions or that might result in rescission in connection with such Contemplated Transactions.

- (d) the Sale Order shall be in form and substance acceptable to Buyer, in its sole discretion;
- (e) the Sale Order shall have been entered by the Bankruptcy Court, which shall include a waiver of the fourteen (14) day stay set forth in Rule 6004(h) of the Federal Rules of Bankruptcy Procedure, and shall be a final, non-appealable order;
- (f) from the date of this Agreement until the Closing Date, there shall not have occurred any circumstance, change, effect, event, occurrence, state of facts or development that has had, or would reasonably be expected to have, a Material Adverse Effect;
- Governmental Entity or any Person that are required: (i) to permit Sellers to perform the transactions contemplated by this Agreement; (ii) to permit Buyer to, after Closing, operate the Business; or (iii) in order to prevent a material breach of or material default under or a right of termination or material modification of any Assumed Contract, in each case as set forth on Appendix 8.1(g), shall have been duly made or obtained; provided, that no consent to the assumption, assignment, and/or sale of any Assumed Contract shall be required if (i) the Sale Order expressly provides that Sellers have the power to assume, assign, and/or sell such Assumed Contract under Section 365 of the Bankruptcy Code without such consent or (ii) the Assumed Contact was not designated as an Assumed Contract by Buyer prior to the Sale Hearing and Sellers, with Buyer's prior written consent, elected to reject such Contract prior to Buyer designating it as an Assumed Contract:
- (h) Sellers shall have delivered a certificate from an authorized officer of each Seller to the effect that each of the conditions specified in Section 8.1(a), Section 8.1(b) and Section 8.1(f) has been satisfied;
- (i) Sellers have obtained an order of the Bankruptcy Court under Section 365(d)(4)(B) of the Bankruptcy Code extending until Closing the deadline imposed by Section 365(d)(4)(A) of the Bankruptcy Code;
- (j) Sellers have provided all required notifications to applicable employees and Governmental Entities in compliance with the WARN Act on or before sixty (60) days prior to the Closing Date; and
- (k) Buyer's credit services organization lender has entered into an agreement (which has not been revoked, rescinded, terminated or amended in a manner adverse to Buyer), on terms reasonably acceptable to Buyer, with TreeMac Funding Group, LLC to acquire the loan portfolio and all accounts receivable held by or owed to TreeMac Funding Group, LLC generated in connection with the BSA, and BOK Financial Corporation and TreeMac Funding Group, LLC have agreed to release the BOK Letter of Credit and all of the Excluded Cash to Sellers.

- (a) as of the date hereof and as of Closing (in each case, except for any representation or warranty that is expressly made as of a specified date, in which case as of such specified date), (i) each representation or warranty contained in Section 4.1, Section 4.2 or Section 4.3 shall be true and correct in all respects, except for failures to be so true and correct which are de minimis, and (ii) each other representation or warranty set forth in ARTICLE IV shall be true and correct in all respects, except where the failure of such representations and warranties referred to in this clause (ii) to be true and correct, individually or in the aggregate with other such failures, would not reasonably be expected to materially prevent, restrict or delay the consummation of the Contemplated Transactions or the transactions contemplated by any Related Agreement; provided, however, that for purposes of determining the accuracy of representations and warranties referred to in clause (ii) for purposes of this condition, all qualifications as to "materiality" and similar expressions contained in such representations and warranties shall be disregarded;
- (b) Buyer shall have performed and complied with its covenants and agreements hereunder to the extent required to be performed prior to Closing in all material respects, and Buyer shall have caused the documents, instruments and payments required by Section 2.8(b) to be delivered to Sellers (or tendered subject only to Closing);
- (c) no Governmental Entity of competent jurisdiction shall have enacted, issued, promulgated, enforced or entered any Decree that is in effect and that has the effect of making the Closing illegal or otherwise prohibiting the consummation of Closing, and, at the time of the Closing, there shall not be any Litigation, investigation, inquiry or proceeding pending, entered, enacted, enforced or issued or instituted in or by any Governmental Entity or by any third party to restrain, enjoin or prohibit consummation of the Contemplated Transactions or that might result in rescission in connection with such Contemplated Transactions;
- (d) the Sale Order (x) shall be in form and substance reasonably acceptable to Sellers, and (y) shall not be subject to a stay pending appeal; and
- (e) Buyer shall have delivered a certificate from an authorized officer of Buyer to the effect that each of the conditions specified in <u>Section 8.2(a)</u> and <u>Section 8.2(b)</u> has been satisfied.
- **Section 8.3** No Frustration of Closing Conditions. Neither Buyer nor Sellers may rely on the failure of any condition to its obligation to consummate the Contemplated Transactions set forth in Section 8.1 or Section 8.2, as the case may be, to be satisfied if such failure was caused by such Party's failure to use its commercially reasonable efforts with respect to those matters contemplated by the applicable Sections of this Agreement to satisfy the conditions to the consummation of the Contemplated Transactions or other breach of a representation, warranty or covenant hereunder.

- **Section 9.1** <u>Termination of Agreement</u>. This Agreement may be terminated and the Contemplated Transactions abandoned at any time prior to Closing only:
 - (a) by the mutual written consent of Buyer, on the one hand, and Sellers, on the other hand;
 - (b) by Buyer by giving written notice to Sellers at any time prior to Closing (i) if Buyer is not then in material breach of any provision of this Agreement and Sellers have breached any of their agreements, covenants, representations or warranties contained in this Agreement (provided such breach would result in the failure of a condition set forth in Section 8.1 to be satisfied) and Buyer has notified Sellers of the breach, and the breach has continued without cure for a period of ten (10) Business Days after the notice of the breach, or (ii) in the event that any condition set forth in Section 8.1 shall become incapable of being satisfied by the Closing, unless such failure shall be due to the failure of Buyer to perform or comply with any of its covenants, agreements or obligations hereunder to be performed or complied with by it prior to Closing, and such condition is not waived by Buyer;
 - (c) by Sellers by giving written notice to Buyer at any time prior to Closing (i) if no Seller is then in material breach of any provision of this Agreement and Buyer has breached any of its agreements, covenants, representations or warranties contained in this Agreement (provided such breach would result in the failure of a condition set forth in Section 8.2 to be satisfied) and Sellers have notified Buyer of the breach, and the breach has continued without cure for a period of ten (10) Business Days after the notice of the breach, or (ii) in the event that any condition set forth in Section 8.2 shall become incapable of being satisfied by Closing, unless such failure shall be due to the failure of Sellers to perform or comply with any of its covenants, agreement or obligations hereunder to be performed or complied with by them prior to Closing, and such condition is not waived by Sellers; or
 - (d) by Buyer or Sellers (i) in the event there shall be any Law that makes consummation of the transactions contemplated by this Agreement illegal or otherwise prohibited or (ii) upon the issuance of a final and non-appealable order, decree, or ruling by a Governmental Entity to permanently restrain, enjoin or otherwise prohibit Closing; provided, that the right to terminate this Agreement under this Section 9.1(d)(ii) shall not be available to a Party if such order, decree or ruling was primarily due to the failure of such Party to perform any of its obligations, covenants or agreements under this Agreement;
 - (e) automatically and without any action or notice by Sellers to Buyer, or Buyer to Sellers, immediately upon:
 - (i) approval by the Bankruptcy Court of an Alternate Transaction, unless Buyer is designated a "back-up bidder" under the Sale Order;

- (ii) the consummation of an Alternate Transaction; or
- (iii) if prior to the Closing Date, (x) any of the Chapter 11 Cases are converted into cases under Chapter 7 of the Bankruptcy Code, (y) a trustee or examiner is appointed in the Chapter 11 Cases, or (z) any of the Chapter 11 Cases are dismissed.

Notwithstanding anything to the contrary contained herein, in no event may Buyer terminate this Agreement under Section 9.1(b) solely on account of Buyer's failure to satisfy the conditions contained in Sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code with respect to any proposed Assumed Contract.

Section 9.2 <u>Procedure upon Termination</u>. In the event of termination and abandonment by Buyer, on the one hand, or Sellers, on the other hand, or both, pursuant to <u>Section 9.1</u>, written notice thereof shall forthwith be given to the other Party or Parties, and this Agreement shall terminate and the Contemplated Transactions shall be abandoned, without further action by Buyer or Sellers.

Section 9.3 Effect of Termination.

- (a) If this Agreement is validly terminated pursuant to Section 9.1, this Agreement shall become null and void and of no further force and effect (except that <u>ARTICLE I</u> (Definitions), <u>ARTICLE X</u> (Miscellaneous), and this <u>ARTICLE IX</u> (Termination) shall survive any such termination).
- (b) Except as otherwise expressly set forth in this Agreement, nothing herein shall relieve any Party from liability for any breach of covenant, obligation or agreement occurring prior to any termination of this Agreement.
- (c) The Confidentiality Agreement shall survive any termination of this Agreement and nothing in this <u>Section 9.3</u> shall relieve Buyer or Sellers of their respective obligations under the Confidentiality Agreement.
 - (d) The Parties hereby agree that if this Agreement is terminated:
 - (i) pursuant to any section other than <u>Section 9.1(c)(i)</u>, Buyer shall, as a non-exclusive remedy, be refunded the Good Faith Deposit;
 - (ii) by Buyer pursuant to a termination right set forth in this <u>ARTICLE</u> <u>IX</u> or by Sellers for any reason other than under <u>Section 9.1(c)(i)</u>, Sellers shall not be entitled to any damages, losses, or payment from Buyer, and Buyer shall have no further liability of any kind to Sellers, any of their Affiliates, or any third party on account of this Agreement; and
 - (iii) pursuant to <u>Section 9.1(c)(i)</u> (i) the Good Faith Deposit shall be delivered to Sellers as liquidated damages against Buyer for all liabilities of Buyer under this Agreement (the Parties agreeing that it is impossible to determine accurately the amount of damages that Sellers would suffer if the transactions

contemplated hereby were not consummated as a result of a breach of this Agreement by Buyer) and (ii) such liquidated damages shall be the sole and exclusive remedy, at Law and equity, of Sellers against Buyer for Buyer's breach

and such termination and Buyer shall have no further liability of any kind to Sellers,

(e) With respect to any return of the Good Faith Deposit pursuant to this Section 9.3, such payment shall be made within five (5) Business Days after the later of the date of termination of this Agreement or after the consummation of the Alternate Transaction, as applicable, which in any case shall be allowed and paid as an administrative expense claim of the Buyer under Section 503(b)(1) of the Bankruptcy Code.

any of their Affiliates, or any third party on account of this Agreement.

(f) Nothing herein shall preclude Buyer or Sellers from exercising their respective remedies under <u>Section 10.1</u>.

ARTICLE X. MISCELLANEOUS

Section 10.1 Remedies. Each of Buyer and Sellers recognizes that if it breaches or refuses to perform any covenant, agreement or obligation set forth in this Agreement prior to its termination or the consummation of the Contemplated Transactions or an Alternate Transaction, monetary damages alone would not be adequate to compensate the other Party for its injuries. Each Party shall therefore be entitled, in addition to any other remedies that may be available, to obtain specific performance of, or to enjoin the violation of, the terms of such covenants, agreement or obligation. If any Litigation is brought by a Party to enforce such covenants, the other Party against which such Litigation is subject shall waive the defense that there is an adequate remedy at Law. Buyer and each Seller agrees to waive any requirement for the security or posting of any bond in connection with any Litigation seeking specific performance of, or to enjoin the violation of, such covenants. Buyer and each Seller agrees that the only permitted objection that it may raise in response to any action for specific performance of such covenants is that it contests the existence of a breach or threatened breach of such covenants.

Section 10.2 Expenses. Except as otherwise provided in this Agreement or a Related Agreement, Sellers and Buyer shall bear their own expenses, including attorneys' fees, incurred in connection with the negotiation and execution of this Agreement, the Related Agreements and each other agreement, document and instrument contemplated by this Agreement and the consummation of the Contemplated Transactions. Notwithstanding the foregoing, in the event of any action or proceeding to interpret or enforce this Agreement, the prevailing Party in such action or proceeding (i.e., the Party who, in light of the issues contested or determined in the action or proceeding, was more successful) shall be entitled to have and recover from the non-prevailing Party such costs and expenses (including, but not limited to, all court costs and reasonable attorneys' fees) as the prevailing Party may incur in the pursuit or defense thereof.

Section 10.3 Entire Agreement. This Agreement and the Related Agreements constitute the entire agreement among the Parties and supersede any prior understandings, agreements or representations (whether written or oral) by or among the Parties, written or oral,

with respect to the subject matter hereof; <u>provided</u>, <u>however</u>, that the Confidentiality Agreement shall survive as provided in Section 6.13.

Section 10.4 <u>Incorporation of Schedules, Exhibits and Disclosure Schedule</u>. The schedules, appendices and exhibits to this Agreement are incorporated herein by reference and made a part hereof.

Section 10.5 <u>Amendments and Waivers</u>. No amendment of any provision of this Agreement shall be valid unless the same shall be in writing and signed by each Party except as expressly provided herein. No waiver of any breach of this Agreement shall be construed as an implied amendment or agreement to amend or modify any provision of this Agreement. No waiver by any Party of any default, misrepresentation or breach of warranty or covenant hereunder, whether intentional or not, shall be valid unless the same shall be in writing and signed by the Party making such waiver, nor shall such waiver be deemed to extend to any prior or subsequent default, misrepresentation or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent default, misrepresentation or breach of warranty or covenant. No conditions, course of dealing or performance, understanding or agreement purporting to modify, vary, explain or supplement the terms or conditions of this Agreement shall be binding unless this Agreement is amended or modified in writing pursuant to the first sentence of this Section 10.5 except as expressly provided herein. Security Incidents

- 1. In July 2020, Sellers experienced a ransomware attack, whereby a third party locked access to certain proprietary information. In return for access to encrypted information, the third party requested payment of approximately \$8 million. Sellers elected not to negotiate under the expectation of being able to rebuild impacted systems via restored backups. Ultimately, the restoration of some legacy customer and information databases did not materialize timely. Over time, Sellers have been able to successfully reconstruct customer information dating back to 2010.
- 2. In 2021, Kohn Law Firm, a law firm that Cottonwood uses as part of its collection process was subject to a ransomware attack. During this attack, a limited number of Cottonwood customers' personal identifying information was accessed. Kohn informed these customers and provided identity protection services.
- 3. In February 2024, there was an incident where unauthorized access was obtained to three (3) Cottonwood computers, but no customer data was accessed (the incident report has been previously provided).
